ORDER¹

Respondent Full-Fill Industries LLC's Motion to Dismiss the consolidated complaint is denied. The Respondent has not demonstrated that the consolidated complaint fails to state a claim upon which relief can be granted. Further, the Respondent's alternative request for a more definite complaint is not properly before the Board.²

¹ The Board has delegated its authority in this matter to a three-member panel.

² Sec. 102.24(a) of the Board's Rules and Regulations provides that prehearing motions other than motions for default judgment, summary judgment, or dismissal must be filed with the Board's Division of Judges.

In view of our denial of the Respondent's motion, we find it unnecessary to pass on the General Counsel's contention that the Respondent's motion should be dismissed, in part, as untimely under Sec. 102.24(b) of the Board's Rules and Regulations.

Dated, Washington, D.C., November 17, 2020.
